Designed for Living

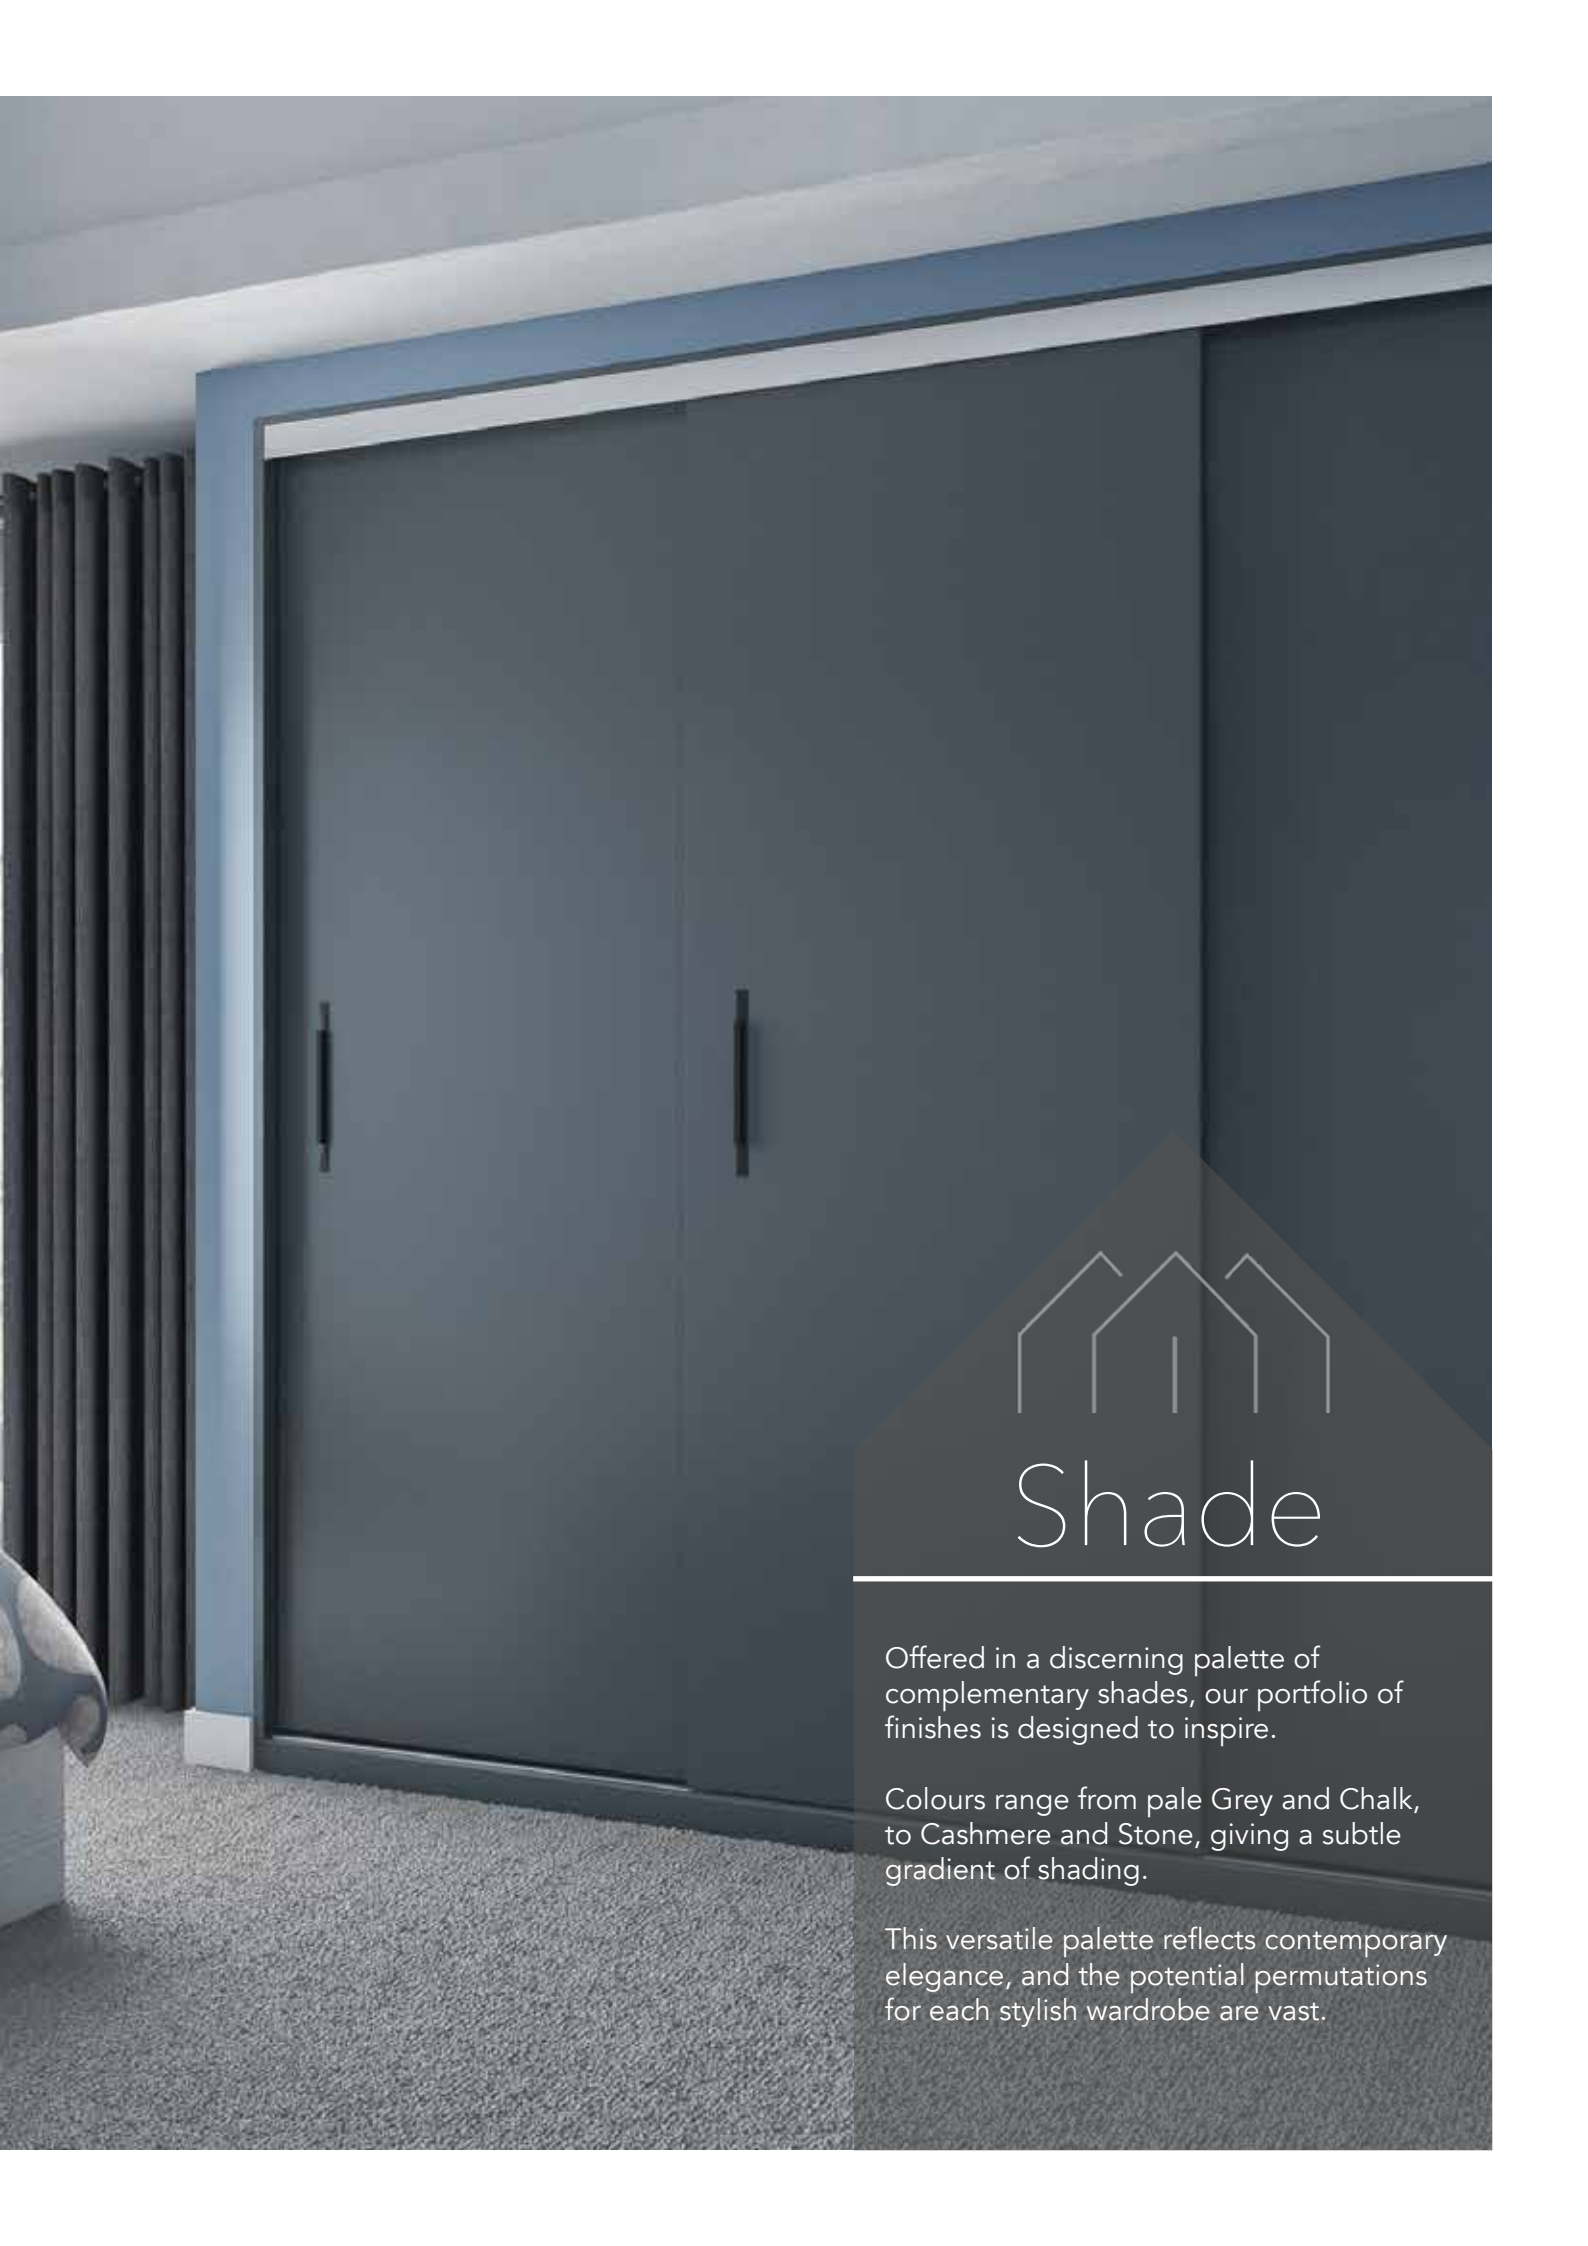

Taking inspiration from the latest interior design styles, coupled with on trend finishes including sophisticated marble and striking slate, the New Build Interiors product range offers wardrobe solutions to suit all house types.

Whether you require contemporary bedroom storage for apartments, stylish wardrobe solutions for a range of house styles on a specific development, or designer led wardrobes for a small collection of exclusive luxury homes, our portfolio of products will suit even the most discerning of home buyers.

Each range is offered in a number of finishes, with co-ordinated framing options and surrounds, all designed to inspire. Mix woodgrains and matt colours with satin, high gloss and mirrored door options to create bespoke combinations of premium quality, British made wardrobes.

Monument doors and surround, from the Edge range

Shade

Offered in a discerning palette of complementary shades, our portfolio of finishes is designed to inspire.

Colours range from pale Grey and Chalk, to Cashmere and Stone, giving a subtle gradient of shading.

This versatile palette reflects contemporary elegance, and the potential permutations for each stylish wardrobe are vast.

A close-up photograph of a wood surface with a vertical grain pattern. The color is a muted, greyish-brown, characteristic of a glaze. The texture is natural and slightly uneven.

Sand Grey Glazed Oak

A close-up photograph of a dark wood surface with a vertical grain pattern. The color is a deep, dark charcoal or anthracite grey. The texture is smooth and consistent.

Fine Anthracite

Texture

Mixing tactile elements together is an interior designers' favourite.

From plush velvet and thick pile carpet, to tactile woodgrain. Texture is compelling to touch!

It's why we have specifically selected a range of textured finishes for New Build Interiors, including smoothest gloss and satin, together with woodgrain options, and on trend marble and slate.

Chromix doors and surround, from the Flexa range

Surface

Matt, gloss and satin versions of our carefully selected finishes will create a harmonious balance of different surfaces, when juxtaposed next to each other.

Perfect for any bedroom, the myriad of different materials offers a sophisticated approach to minimalist interior design.

Dust doors and surround, from the Flexa range

Tone

A timeless choice for an interior bedroom scheme is that of a neutral palette, where subtle shades of Pebble and Cashmere meet deeper tones of Stone and Dust with great effect.

This classic combination is a firm favourite amongst interior designers as it creates the perfect platform to create a calm bedroom feel.

Fine Anthracite doors and surround, from the Flexa range

Mono

Currently experiencing a surge in popularity, key to creating a successful monochromatic interior is allowing one colour to be dominant.

Choose from a paired back combination of sliding wardrobes in black, white and grey for an on-trend interior that showcases modern living and a dynamic element of any bedroom scheme.

Chalk glass doors and Grey surround, from the Optima range

Reflect

Ever popular, a reflective surface is sure to make an interior space appear larger.

Whether mirrored, or a gloss finish, reflective materials will bounce light around a room, making them a useful addition to a bedroom interior. Ideal as a door finish for a sliding wardrobe run in a compact show home bedroom.

Our Ranges

New Build Interiors is delighted to offer eight individual wardrobe ranges.

From 'Origin', whose functional bedroom storage solutions are offered in multiple, design led finishes, to 'Optima', which presents the very best in stylish wardrobe storage.

Our ranges have been designed to inspire even the most discerning of clients.

Aurora framed Taupe doors and surround, from the Origin range

Origin

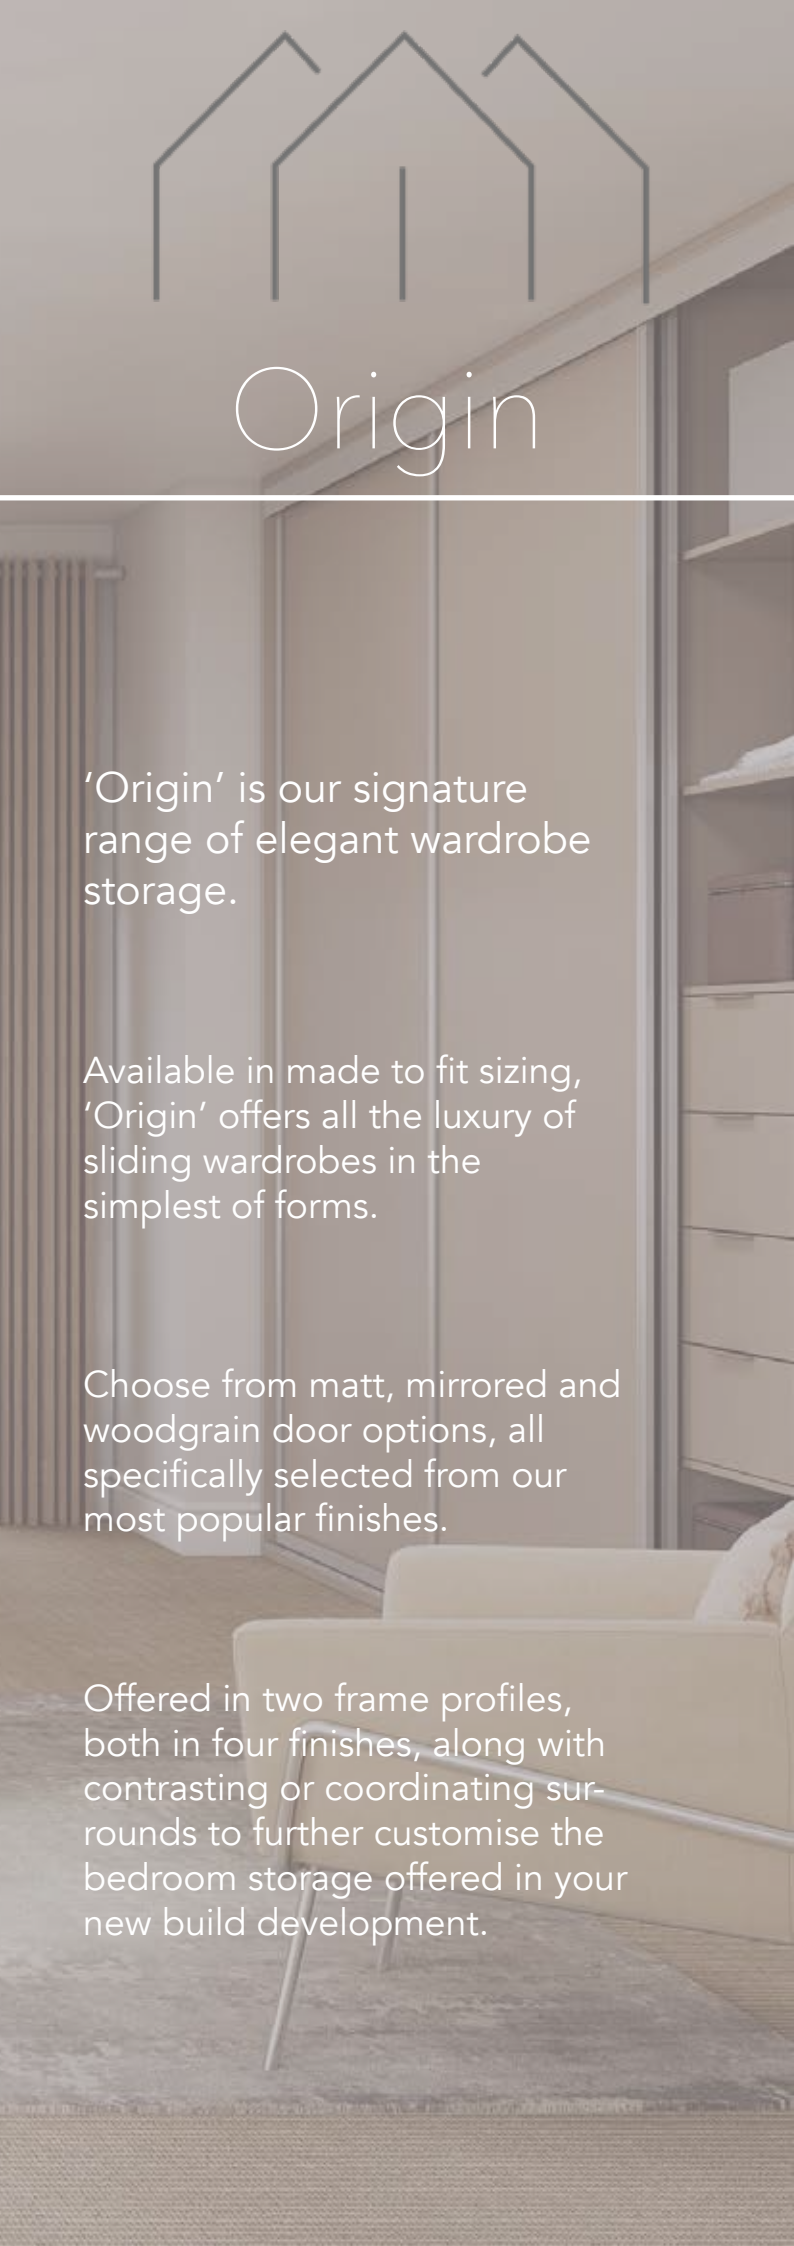

'Origin' is our signature range of elegant wardrobe storage.

Available in made to fit sizing, 'Origin' offers all the luxury of sliding wardrobes in the simplest of forms.

Choose from matt, mirrored and woodgrain door options, all specifically selected from our most popular finishes.

Offered in two frame profiles, both in four finishes, along with contrasting or coordinating surrounds to further customise the bedroom storage offered in your new build development.

Fusion

'Fusion' presents a selected range of stylish, pre-designed sliding door combinations, all with designer led touches, perfect for client upgrade options.

Each door panel features a mixture of different textures and materials, in varying horizontal and vertical options.

Customise the bedroom storage for your new build development, by selecting an outer frame to add definition to the wardrobe run.

Grey, Dust and Grey tinted mirror combination, from the Fusion range

Stream

'Stream' offers stunning aesthetics combined with simplistic design.

Available in a subtle palette of white, neutrals and greys, all offered in matt, glass and satin glass finishes, a dedicated handle effortlessly flows across each chosen panel.

Elegantly stylish, each door has been designed with minimalism in mind. The recess handles are located at either edge of the door, enabling an easy to open motion.

Framed in a silver profile, each door can be further enhanced by an outer frame, in a complementary or contrasting finish.

Satin White Glass doors with White Matt surround, from the Stream range.

Grey Mirror doors with Nebraska Oak central panel, from the Accent range

Accent

'Accent' combines wardrobe storage with designer looks.

Ideal when an expanse of mirrored sliding wardrobes are required, 'Accent' features grey and bronze tinted mirrors, with the addition of a distinctive horizontal panel and inset handle detail.

Each 'Accent' colour combination has been chosen to best complement the grey or bronze mirrored doors.

A recessed handle, incorporated into the feature panel enables the door to slide effortlessly, whilst maintaining sleek and stylish looks.

Define

'Define' affords a classic style to any bedroom.

With its distinctive Shaker profile frame, 'Define' is offered in a range of sizes, and is available as either a single panelled door, or with a horizontal feature mirror.

'Define' is all about the door profile, offering a bedroom storage solution with contemporary appeal.

Available in a choice of four matt finishes, each door is framed with a characteristic profile, chosen to coordinate with the selected panels.

Stone Matt doors with Grey Mirror central panel and Stone Matt surround, from the Define range

Edge

'Edge' features striking minimal lines with stylish handles.

This frameless door design is presented in matt, gloss and designer marble and slate effects, along with realistic and painted woodgrain finishes.

Each contemporary 'Edge' wardrobe is complemented by the introduction of an exclusive range of handles.

Choose from an elegant, recessed handle, or opt for one of the surface mounted handles and create a statement door.

Dust Matt doors and surround, from the Edge range

Stone Matt doors with Dust Matt surround, from the Flexa range

Flexa

'Flexa' offers a sophisticated, bi-fold wardrobe storage solution.

Offered in a range of heights, with three widths of door, 'Flexa' is available in a contemporary palette of finishes including gloss, painted and matt options, sophisticated woodgrains, and even slate and marble decors.

Simple to open, 'Flexa' extends to allow full access in a smooth, effortless action.

Customise the doors with a choice of elongated contemporary handles, offered in either black or graphite, then opt for a contrasting frame to add stylish definition.

Optima

'Optima' is the epitome of stylish storage solutions.

Our premium range of sliding wardrobes, 'Optima' is the obvious choice for a luxurious development.

Available with a multitude of internal configurations. The chic storage combinations are discretely hidden by minimal profile doors, which glide effortlessly to allow full access.

Wall-to-wall or free standing, end panels frame the deluxe internal fittings whilst full height doors allow for a streamlined look and feel.

'Optima' offers a truly stunning solution to conventional sliding wardrobe storage.

Sustainability & Environmental Impact

New Build Interiors are committed to minimising the impact of its activities on the environment.

The key points in our strategy to achieve this are :

Minimise waste by evaluating our operating procedures to ensure maximum efficiency.

Minimise any disturbance to the local & global environment.

Recycling our waste and reusing packaging materials returned to us by our installation partners.

Actively promoting recycling internally and amongst our customers.

Source and promote a product range to minimise environmental impact of production and distribution.

New Build Interiors will comply with all relevant environmental legislation.

New Build Interiors will measure its impact on the environment and set targets for ongoing improvement.

Investor in people

The businesses involved in producing and fulfilling the New Build Interiors range put people at the heart of their respective businesses. This people centric approach includes ensuring that training and development opportunities are promoted for all team members and that there is an active involvement in regional apprenticeship schemes.

Accreditation

The New Build Interiors range is available exclusively through authorised and accredited contracting partners. Our partners hold the following regulatory accreditations ensuring industry leading safe working practice standards.
